COUNCIL NEWS

Council News:

Just like that summer has come to an end; Mayor and Council wish students of all ages a safe, healthy, and enjoyable school year. Some residents may be aware, we have recently added the municipal logo to our Public Works trucks and our municipal office vehicle. As we continue to try and modernize our services, we are also looking to improve our municipal image and professionalism in the process.

A big thank you goes out to the Vermilion Bay Lions Club for organizing and running the Family Fun Day August 19th and the Machin Volunteer Fire Department and all other volunteers who contributed to the success of the day. It was great to have a community event attended by so many people; next year will be exciting!

On Tuesday August 23rd MP Eric Melillo visited the Machin office to talk with Mayor Griffiths about ongoing issues. Some topics discussed revolved around our asset management plan and current FedNor funding applications. We'd like to thank Eric for taking the time to travel to our office to stay up to date with our Municipality and needs.

Economic Development:

Our Phase 2 FedNor application for a Community Improvement Plan and Economic Strategic Plan has been sent in. At the end of July FedNor let us know we have been granted permission to move on to the second phase of our application. Following years 1 & 2 of the suggested actions in our Economic Strategic Plan we seem to be making progress; an update will help to let us know where we're currently at and what our next steps should be. A Community Improvement Plan will help target fixing community image issues through municipal grants as well as make tax incentives to increase development in our business area.

Council recently approved a By-Law allowing the creation of an Economic Development Committee. We're looking for individuals to help contribute to carrying out targets in our Economic Strategic Plan as well as help further the business community. Topics included are going to be aimed around current projects and topics brought forward by businesses in this area. A letter is being sent out asking for advice from businesses and input for progressing the community.

Max Nagy, EDO

Recreation:

Well, August came and went in a blink of an eye. I'm pleased to say our first Kids Camp was a hit with 15 kids attending; we had beautiful weather with games, activities, and swimming lessons throughout the week. We had special guests attend including the Machin Volunteer Fire Department and the Ministry of Natural Resources in Dryden as well as a float plane land one day and join us for swimming. I'm excited for September with the ever-popular yoga going on as well as disco roller blading/skating, baseball, arm chair travel, and art classes. Please continue to stay tuned as we head into fall, I will be looking into some new activities and events.

If anyone has some fun ideas, I am always open for suggestions, you can reach me @ 807-227-2633.

Carman Brignall, Recreational Facilitator

Public Works:

We'd like to thank Wade Reinhold and Conley Delorme for all the work they've done this summer and wish them the best as they head back to school. As another reminder, our landfills will no longer be accepting propane tanks and cylinders so please look elsewhere when disposing of them.

Municipal Election:

The official candidates for the 2022 municipal election have been confirmed and are the following:

Mayor:

Gordon Griffiths (Incumbent)

Garry Parkes

Council:

Ray Pilkey (Incumbent)

Dennis Peterson (Incumbent)

Kennedy Maidment

Greg Swanson

Tony Blair

Bonnie Leutschaft

Carbon Monoxide and Heating Safety

Carbon monoxide (CO) is an invisible, odourless and poisonous gas produced by fuel-burning appliances and equipment. When a fuel-burning appliance does not get enough fresh air and fails to completely burn its fuel, carbon monoxide is produced.

The symptoms of CO poisoning are similar to the flu – nausea, headache, burning eyes, confusion and drowsiness – except there is no fever. If symptoms appear, immediately get everyone outside to fresh air and call 911.

To keep your home safe from carbon monoxide, eliminate CO at the source. Have your home's fuel-burning appliances and equipment inspected annually by a certified technician. The inspection should include all fuel-burning appliances/equipment and their systems, such as the fuel supply, chimney/venting system and area around the device. To find a TSSA-registered contractor, visit COSafety.ca

In addition to an annual inspection, occasionally examine your heating system for signs of deterioration, such as water stains, corrosion or leakage.

For forced-air systems, clean the furnace air filters frequently – at least twice a year.

Keep the area around the furnace free from dust, lint and materials or chemicals that could catch fire or explode if they become too hot.

Houses need to "breathe". They need to expel moisture and other gases from inside and take in fresh air from outside. If the home's ventilation is damaged or blocked, there is a powerful exhaust fan or there is an open-hearth fireplace, then carbon monoxide can be drawn back inside the house. To prevent CO being drawn back into the house, make sure warm-air outlets and cold-air outlets are not covered by furniture or debris and check that the chimney and all vents to outside are free of debris and that they are kept clear of snow and ice buildup throughout the winter.

If home has a fuel-burning appliance, fireplace or attached garage, a working CO alarm must be correctly installed on every level of your home and near sleeping areas.

Working smoke alarms must be correctly installed on every story of home and outside all sleeping areas.

Test your CO and smoke alarms once a month to verify that they are working properly.

**Machin Volunteer Fire and First Response – Facebook or Instagram: @machinfire

Tammy Rob
Municipal Clerk Tammy Rob

I would personally like to send a **GREAT BIG THANK YOU** to all the organizations and volunteers that have helped with my programs.

Kids Camp thank you to: Sunset Swim Academy, Fun-tastic Castles, Lillian Berg School, Machin Fire Department, Vermilion Bay Kinsmen, MNRF Dryden, Rose Rhyner, Norbert Bruyere, Robin McKenney, Angela Anderson, Ken Hatfield, Jason Danielson, Wade Reinhold, Conley Delorme, Stefan Roussin, Tammy Rob, Holly Toews, Sandra King, and last but not least thank you to the anonymous pilot for dropping in and letting us get a group photo with his plane.

Base Ball thank you to: Alita Babcock and everyone else that comes out to join us.

Roller Blading thank you to: Max Nagy, Amie Kroker, Andrew Kroker, Jeff Granbois, Kimmy Rousseau, and a big thanks also goes out to the people who have donated roller blades and skates.

I would not have been able to do all these programs without you all, it is people like yourselves that make the world and our small Municipality a better place. My apologies if I have missed anyone.

Thanks again from Carman Brignall, Recreational Facilitator.

Vermilion Bay Pharmasave Employment Opportunity

We are looking for an energetic individual to work at the Vermilion Bay Pharmacy.

The ideal candidate would be a mature adult with computer skills, good communication skills, and who can multi-task in a fast-pace environment.

If you are interested in this position, please apply in person at the Vermilion Bay Pharmasave, or email your resumé to Vbaypharmacy@gmail.com

The job description will be discussed during the interview.

A huge thank you to the Vermilion Bay Lion's Cub Members for their dedication to our community. Earlier in August our grandson had a boating accident, which unfortunately, resulted in a fractured leg. We are forever grateful to the club for lending him a youth sized wheelchair. This was a major piece of equipment which aided him in his recovery! Our entire family is forever grateful!

Happy Go Lucky Seniors

Hello out there!

The Happy Go Lucky Seniors are looking for a "log splitter".

The reason we are looking for one is to convert it into a "can crusher".

If someone has an old one that could be donated to the club or if the price is right the club could buy it.

Don't forget to drop off your aluminum cans to help the Seniors and Fire Department.

Contact: Garry Parkes @227-2895 or Mel Altenburg @ 529-4283.

HAPPY-GO-LUCKY SENIORS PONTOON BOAT RIDE

The Happy-Go-Lucky Seniors would like to thank the following volunteers who helped with the successful Pontoon Boat Ride on August 20:

- Community 'recruiters' Ruth and Debbie
- Boat captains Greg (VB Lions Club), Leslie (Piston Ring), Brent (Bayview Hotel) and John Allan (our experienced lead captain)
- Forest Mann our dock manager.
- Irene and Gord who brought seniors to and from Eagle River and transported boaters to the school for lunch.
- Machin Volunteer Firefighters who provided the community with a free lunch which was a terrific way to end the boat ride.

Last but not least, thank you to the Vermilion Bay Lions Club for their co-ordination of the busy but successful community day's events.

Lions Lines

Our Lion's year is just beginning. We welcome our new executive:

President Lion Veronica Leray, Vice President Lion Jack Rhyner, 2nd Vice Lion Richard Leray, Secretary Lion Doris St. Jules, Treasurer Lions Susan Mann, Past President Lion Susan Mann, Membership Chair Lion Marie Therrien, Service Chair Lion Forrest Mann, Club Administrator Lion Susan Hutchison, Directors: Lion's Gary Hutchison, Lou Rhyner, Conrad Musyj, Forrest Mann.

Donations have been coming in from many community members some dedicated to the medical equipment fund and some to the Lion's Hall renovation fund. We will be soon renovating again to upgrade the lighting and the sound in the hall. Any grants that the Club has received now and in the past, we must put up a certain percentage of the money received. Therefore, the club is thankful for all the donations received and your continued support of our projects for the past few years to help us with the hall upkeep and renovations. It is very expensive to keep the yearly costs for the hall as it is for everyone's home these days. We are lucky to have so much support from the community so we can continue to support the Cadet Program, Bursary's for the High School and Lillian Berg School, the many projects happening at the school, and the various service projects for Lion's.

We apologise if we have missed anyone. We would like to say thank you to all who contributed and made the day a success.

Vermilion Bay Family Fun Day Committee and
Vermilion Bay Lions Club members.

Hello everyone,

On behalf of the Family Fun Day & Pig Roast committee and the Vermilion Bay Lions Club, we would like to say a sincere thank you to everyone involved. It was a whirlwind from start to finish! Our time was short, but we did it together!

There are so many people to thank: the volunteers, the businesses that donated to our draw, the vendors, and the people who came with their Classic cars & tractors. We would also like to thank Sharon Klassen for organizing the parade, Gary Garrison and Nicole Thomas from Thimbleweed Creek farm for the petting zoo, and Lorne Nelson for the live music. Thank you also to Mayor Gord Griffiths, Dr. Yvon Gagnon, Conservation Officer Rob Winters for being good sports and helping with the Bail and Jail.

We also appreciate the participation of the following organizations - OPP, MNR, and the Machin Volunteer Fire & First Response Department for the free lunch and the Municipality of Machin for all the support throughout as well as the generous donation to make this day possible.

Finally, we would like to thank the public for coming out and supporting the Vermilion Bay Lions Club and helping make this day a success.

Sincerely,

Marie Therrien & the Family Fun Day Committee

This is a free book gifting program devoted to inspiring the love of reading in children. Each month an age-appropriate book will be mailed free of charge to registered children ages newborn to 5.

“The Imagination Library is an exciting way for the Lions Club's call to action to organize service projects and activities that underscore the importance of reading within their own community.” says Marie Therrien, Committee Leader. “Having books in a child's home fosters a love of learning and sets children up for success when they start school.
